Letter No.: 91-75

TO: All County Welfare Directors  
All County Administrative Officers  
All County Medi-Cal Program Specialists/Liaisons

REFERENCE: ACWDL 91-61

This is to advise you that the implementation of the 100 Percent program for children born after 9/30/83, ages six to nineteen will be delayed until November 1, 1991.

Counties should not issue any Medi-Cal cards with these new aid codes (7A and 7C) until the above date (retroactive to July 1, 1991) since providers must still be notified and Electronic Data Systems will not be prepared to implement until November 1, 1991.

We have enclosed a draft of the regulations. The enclosed Notices of Action for the 100 Percent program are available from the warehouse in English and Spanish.

If you have any policy questions, contact Marge Buzdas at (916) 324-4972. For systems questions, contact Tina Velasquez at (916) 323-9510.

Sincerely,
